DESCRIPTION

Pacific Pride is a fuel management system designed to give you control over your gasoline and diesel vehicles. The program consists of a network of unattended commercial fuel centers located in convenient commercial locations along with retail fuel and service centers. There are over 1300 unattended commercial fuel sites nationwide, as well as 180,000 retail sites, 45,000 service facilities, and 2100 Canadian sites.

BENEFITS

- **24 hour access** to gasoline and diesel fuel 365 days a year.
- Greater control and accountability of fuel purchases means **reduced risk** of slippage or employee theft.
- **Reduces amount of time** drivers spend fueling or looking for fuel stops.
- Drivers can be **locked out of unauthorized purchases**: gas, premium gas, diesel, as well as any miscellaneous items such as pop, candy, cigarettes.
- Fuel management reports **reduce time** spent accounting for purchases with fuel tickets.
- Detailed **fleet accounting information** includes purchase totals by vehicle and/or driver.
- Additional information includes: purchase date and time, MPG, fuel totals by unit, odometer readings, and detailed fuel tax reporting by product by state.
- Fleet fueling **transactions** can be **viewed online**.
- High quality gasoline and diesel fuel with premium additives. **Diesel is winter-blended** during cold weather. Bulk **DEF** is available at all Fort Wayne locations.
- **Volume discounts** insure competitive pricing and **saves you money**.
